

## SPECIFICATION

		STS-772R	STS-775R
<b>Distance Measurement</b>			
Max distance (Good weather)	Single prism	5.0Km	5.0Km
	3 prism	8km-10km	8km-10km
	Non prism	350m	350m
Display		Max: 99999999.9999 Min:0.1mm	
Precision		With prism: 2mm+2ppm	
		Without prism: 5mm+3ppm	
Measure time		fine measurement 1.0s、Tracking 0.5s	
Atmospheric correction		Auto correction	
Reflection prism correction		Auto correction	
<b>Angle Measurement</b>			
Measuring method		Absolute encoding	
Absolute Encoding disk diameter		79mm	
Min display unit		1"/5" Selectable	
Accuracy		2"	5"
Detection method		Horizontal: Dual	Vertical : Dual
<b>Telescope</b>			
Image		Erect	
Tube length		154mm	
Effective aperture		45mm, (EDM: 50mm)	
Magnification		30X	
Field of view		1°30'	
Resolving power		3"	
Minimum focusing distance		1m	
<b>Auto Compensator</b>			
System		Dual axis Liquid-electric	
Work range		±3'	
Accuracy		1"	
<b>Vial</b>			
Plate vial		30"/2mm	
Circular vial		8'/2mm	
<b>Optical Plummet</b>			
Image		Erect	
Magnification		3X	
Focusing range		0.5m~∞	
Field of view		5°	
<b>Laser Plummet</b>			
		Optional	
<b>Display</b>			
Type		3.2 inches LCD, Touch screen Windows CE, NET operation system	
<b>On-board Battery</b>			
Power supply		Rechargeable NiH battery	
Voltage		DC 7.2V	
Continuous operation time		8 hours	
<b>Data Storage</b>			
Internal memory		64M byte	
SD card		2G byte	
Communication port		RS-232 port (6pin), Mini USB, SD card	
<b>Size &amp; weight</b>			
Dimension		200mmX190mmX350mm	
Weight		6.0Kg	

## ACCESSORIES

### TPS PRISM SYSTEM

TPS26  
Single Prism System

TPS35  
Triple Prism System

TPSmini 112A Mini Prism  
Diameter : 25.4mm  
Constant: 17.5mm

Mini Pole  
Length: 4×30cm,  
Diameter: 10mm

ATS-1  
Aluminum Tripod

ATS-2  
Wooden Tripod

TPS106  
Prism Pole  
& Prism System

# STS-770R SERIES

## TOTAL STATION

**SANDING**

SANDING OPTIC-ELECTRICS INSTRUMENT CO., LTD.

Add: 2/F, Surveying Building (He Tian Building), NO.26, Ke Yun Road, Guangzhou 510665, China

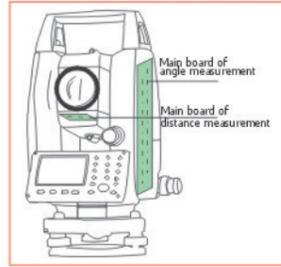

Tel: +86-20-22826691 Fax: +86-20-22826692

E-mail: export@sanding.com.cn export@sandinginstrument.com

### Upgraded Mainboard

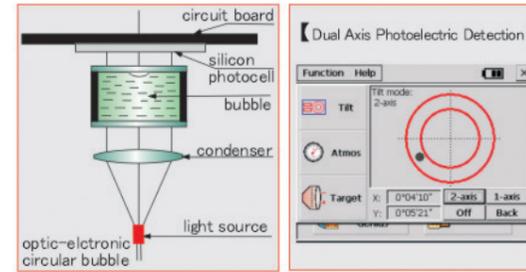

Using different main board for angle measurement and distance measurement, more simple and reasonable structure, easy maintaining.

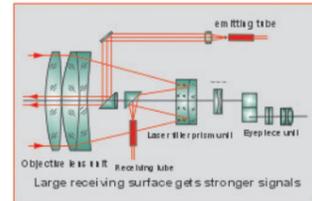

### Circuit Diagram

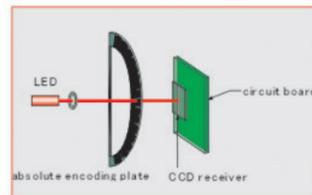

### Dual Axis Compensation

### Laser Path Diagram

### Absolute Encoding Disk

With absolute encoding disk, you can start your work directly as the instrument is powered on. Azimuth angle will be saved even if the power is off incidentally in the job.

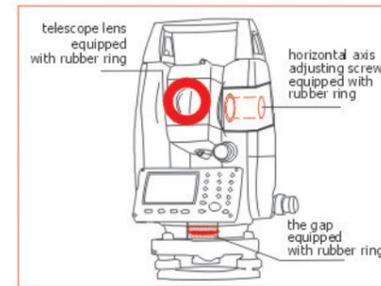

### Colorful touch screen

Using Windows CE.NET Operating system, 3.2 inches extremely large LCD display, shows a large amount of information at a time, makes the measuring operation easy and clear. You can intuitively launch data storing, manipulating and exchanging with PC based on Windows platform.

### DustProof & Waterproof

### Convenient Data Communication

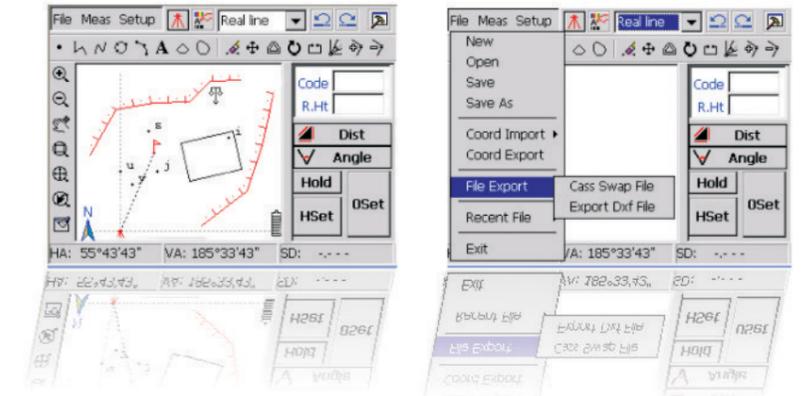

Upload/download data via SD card or miniUSB cable transfer

## ON-BOARD SOFTWARE

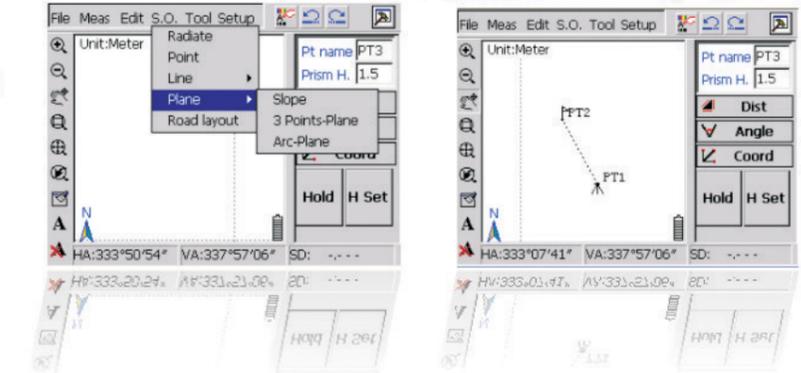

### Mapping Genius

Mapping Genius is an integrated software for field data collection and mapping. With the advantages of laptop, data collector, PDA, it enable the user to collect coordinates in step with collecting diagrams, attributes, get final map in field by using SCB technology. It realizes the integration of indoor and outdoor jobs.

### Engineering Genius

Engineering Genius is specially designed for construction measurement jobs. It brings user data collection/ calculation and mapping programs which can be applied in various works like staking-out, curve measurement, section measurement, fill/ cut calculation, coordinate conversation, leadline measurement, level section measurement.

### Third Party Software Supportable.

With Windows CE operation system, Total Station STS-770R series enables users to install third party software to cater to their operating preference.

Topko CE\*, for example, is a software for survey and stake out in field developed by Sierrasoft, Italy. With it, you can:

- I Achieve a user-friendly graphic CAD function;
- I Import or export more data formats such as DXF, SHP, XML, ASCII, LandXML, etc.
- I Select various languages such as English, French, German, Italian, Spanish, Portuguese, Russian, Polish, Turkish, Bulgarian, Czech, etc.

\*Any third party software is not included in the total station operation system.

### Topko CE
